We invite you and introduce you to our most popular model for excellent reasons. Two river jets will allow you to swim at beginner levels and gradually up to advanced levels. You can adjust the river jets, which will enable you to customize your workouts. A noteworthy point is that while you are using the fitness handle bars and anchors, you will notice jets at your feet. This swim spa also has bench seating along the tub, so that your friends and family can join you, as you enjoy your workout!

Premium Options
